① 企業内における男女間の役割分担やキャリア形成
② 従業員の働き方や組織文化

[illegible]A blank coordinate grid consisting of 20 columns and 100 rows. The grid is divided into two equal horizontal sections by a central line. The top section is labeled '100' on the right side, and the bottom section is labeled '200' on the right side. The grid is used for graphing the function $y = \frac{1}{2}x^2$.
